

Commercial Siding Replacement Questionnaire

Permits are required for all siding replacements, including in commercial buildings. Plans must be submitted for review unless the answers to **all** of the following questions are YES or TRUE:

1. The building is located in a UDC zoning district, which is NOT a Form District?

YES NO

2. Is the replacement siding the same material as existing siding?

YES NO

3. Is the existing siding being replaced with the same siding style?

YES NO

4. No projections are being added to the outside of the building

TRUE FALSE

5. No insulation is being added to the outside of the building

TRUE FALSE

6. The siding is not a structural element of the building.

TRUE FALSE

If the answer to any of the questions above is NO or FALSE, a plan review will be required for replacement siding. See the Commercial Siding Intake Checklist for submittal requirements.

I, the permit applicant, do hereby attest to the accuracy of the answers to the questions above.
