## **40th Ave East to close temporarily**

The stretch of 40th Ave East (between Superior Street and London Road) will be closed to thru traffic starting May 18, 2010 for one week so connections can be made to water, sewer, and gas lines for East High School (formerly Ordean Middle School).

Residents should not experience any disruption to utility services during this work.

For more information, please contact Steve Goman, City Engineering, at 730-5200.
