### **Duluth Snow Removal Operations to Take Place January 9**

[Duluth, MN] - The City of Duluth will be conducting snow removal operations on Thursday, January 9, 2014 at 2:00 AM and will cease at 7:00 AM so as not to delay early morning rush hour. City crews will be removing the accumulated piles of snow in the medical districts. Operations are also anticipated to include 4th Street, up to 6th Ave.

The public is requested to move their cars in order for crews to work expeditiously. Unmoved cars risk being ticketed and towed by the Duluth Police Department.

The City of Duluth thanks the public for their patience and cooperation.
