On-Street Parking Technology Trial Begins Today in Downtown

[Duluth, MN] - The City of Duluth's trial installation of credit card-capable parking pay stations along the one-block stretch of 300 West Superior Street in downtown begins today.

Parkers who use this new system are encouraged to complete a brief survey at www.duluthparking.com to provide feedback to the City. Parking staff will be on hand to provide assistance to citizens using the new pay stations.

Inquiries may be directed to City of Duluth Parking Manager Matthew Kennedy at (218) 730-5178 or by email to mkennedy@duluthmn.gov.
