**Utility Work to Temporarily Close Fourth Ave West**  
**(between Superior Street and West First Street)**

[Duluth, MN] - The City of Duluth Public Works and Utilities Department is informing the public about a temporary street closure taking place next Monday. Due to a recently identified water main leak, Fourth Ave West, between Superior St. and West First St., will be closed all day starting on November 24, 2014 for repairs. The entire block will be closed to vehicle traffic for two days. The sidewalk will be closed on the east side of Fourth Ave West but open to pedestrian traffic on the west.

Motorists are advised to use alternate routes. The City thanks the public for their patience and cooperation during this project.
