Utility Repair to Take Place on 1500 block of East Superior Street in Duluth

[Duluth, MN] - The City of Duluth Public Works and Utilities department has identified a water leak on the 1500 block of East Superior Street. A City utility crew is scheduled to start repairs on Tuesday, December 5th and will need to temporarily close vehicle access to that block. Repairs will occur from approximately 8:00 am to 5:00 pm. Residents and businesses within this work area may experience a disruption to water service while repairs are underway. Access to homes and businesses will be maintained.

Motorists are asked to follow the signed detour routes. Please check the Duluth Transit Authority website, www.duluthtransit.com for schedule information.
