**Lift Bridge to Drop to One Lane Today and Tomorrow during Inspection**

[Duluth, MN] The Minnesota Department of Transportation will be conducting a critical inspection of the Aerial Lift Bridge on Monday, September 16 and Tuesday, September 17. This inspection requires the bridge to drop to one lane of traffic from 8:00a.m. to 5:00 p.m. each day. The Bridge will resume normal two-way traffic after 5:00 p.m. on Monday and Tuesday. Traffic flow will be controlled by the traffic lights located on the Aerial Bridge.
