**SUBJECT: Access to Park Point is Closed**

**BY: Kate Van Daele, Public Information Officer**

---

**Access to Park Point is Closed**

[Duluth, MN] Access to Park Point is closed with exception to emergency vehicles. City officials made this decision with the amount of standing water that is on either side of the bridge. Residents at home are encouraged to shelter in place. The closure of Park Point is in place until 7:30p.m. at which time city staff will reevaluate and communicate those

For Park Point residents who are not home, please be patient and allow water levels to decrease. Residents of Park Point who are not at home, are encouraged to go to a friend or relatives' home until this closure has been lifted.

The City will hold a press conference at 7:30 p.m. at Duluth City Hall, and provide an update.
