City crews responding to a water main break on Stanford Drive

[Duluth, MN] The City of Duluth operations crews are responding to the report of a water main break on the 1600 block of Stanford Drive. Water has been turned off from Stanford Avenue from West Rainbow Street to Olive Street. The duration of the repair is unknown at this time; however, crews are confident that they will complete the fix tonight.

Crews are working to repair the break and restore water service as quickly as possible. The City would like to thank those who are affected for the patience during this time.

A Northland Alert has been sent to those in the affected area.
