SUBJECT: City of Duluth to light Enger Tower for Multiple Sclerosis Week

BY: Kate Van Daele, Public Information Officer

City of Duluth to light Enger Tower for Multiple Sclerosis Week

[Duluth, MN] The City of Duluth is lighting Enger Tower tonight, March 14 through Saturday, March 19, to recognize National Multiple Sclerosis Week. Enger Tower will be lit in orange to raise education and awareness about the disease.

This year's theme is "connections." By lighting Enger Tower, the City of Duluth encourages the community to share their connection to multiple sclerosis (M.S.) with our greater community.

The City would like to thank the Upper Midwest Multiple Sclerosis Chapter for their request to light Enger Tower and their roles in changing the world for those living with M.S.
