SUBJECT: Temporary closure of the beach near the corner of Lake Superior/Endion Station

BY: Kelli Latuska, Public Information Officer

Temporary closure of the beach near the corner of Lake Superior/Endion Station

[DULUTH, MN] Beginning Monday, September 25, a portion of the beach along the Lakewalk, near the corner of Lake Superior, will temporarily close for shoreline restoration. The construction zone and closure area are detailed in the included map. Trucks will be crossing the Lakewalk using access from the carriage path near the Endion Station Inn to haul materials to the restoration site. A flagger will be on site when trucks are hauling. There will be no access to the beach during restoration work, which is expected to take approximately four weeks. The Lakewalk will remain open to users throughout the project, with potential access interruptions by flaggers to allow truck crossings as needed. The work will repair shoreline damage sustained during storms in November of 2022, in which a State disaster was called. The repair work is supported by Minnesota State Disaster funding.
