3. Neither party intends that the provisions of this paragraph 7.8 will operate to increase the Employer's costs of operation or of providing benefits.
4. The goal of each party to this Agreement is to provide a satisfying work environment for Employees and excellent service to the public.

For and in consideration of their mutual promises, contained herein, the parties agree as follows:

A. This paragraph 7.8 applies to any Employee or work teams covered by the collective bargaining Agreement who choose to work assigned schedules as provided for in this Agreement.

Participation in the new assigned work schedule under this paragraph 7.8 must be voluntary on the part of the Employee. to the illness or injury of a child, an Employee's use of sick leave in accordance with this Section 25.3(a) shall not exceed 187.5 hours for 37.5 hour-a-week employees, in any 12-month period.

b. Medical Appointments. An Employee must obtain prior approval from the Appointing Authority for the purpose of medical, dental, or optical examination or treatment, when such examination or treatment cannot be scheduled other than during working hours. Such absence on paid sick leave shall be approved only when the Employee has made a diligent effort to have such examination or treatment prior to his or her normal working hours, after work, or on a day off.

c. Paid Sick Leave on Vacation. Paid sick leave will not be allowed during a previously scheduled vacation unless the Employee is under the care of a physician because of an unexpected injury or illness and the Employee furnishes to the Manager of Human Resources, Healthcare & Safety a certificate, signed by the physician, indicating the number of days the Employee was actually confined to his or her home or hospital. The Employee will then receive paid sick leave for those days spent confined. If the Employee is exposed to a contagious disease and confined under doctor's orders, such Employee will be granted paid sick leave in lieu of vacation.

d. Birth/Adoption. Employees may use paid sick leave existing under this Article 25 for the birth or adoption of their children. Non-birthing parents may use five (5) consecutive workdays of paid sick leave beginning the day of birth. Adopting parents may use five (5) consecutive work days of paid sick leave beginning or after the date of adoption. As in the case with other paid sick leave, the Employee must report off sick and report the purpose for the use of such paid sick leave, but it will not be necessary for him or her to go into details.

ARTICLE 27 - DISABILITY LEAVE/DISABILITY INCOME PROTECTION

27.1. Temporary Disability. Any Employee who will be temporarily disabled for a period in excess of ten (10) working days may be offered an Assignment to a Position, which may have tasks or equipment modified to accommodate the Employee's medical restrictions, at such Employee's present rate of pay by the City in his or her present or lower classification, the duties of which the Employee is able to perform. If the City is not able to provide the Employee such Assignment, the Employee may continue to remain on paid sick leave. If such Assignment is refused by the Employee, and justification for the refusal is not provided by the Employee's physician, paid sick leave will be denied. Recognizing the varieties of illnesses and injuries and the Employee's ability to do the assigned work, each case will be evaluated on an individual basis. In case of dispute, the City may use its own physician in making the determination. The City reserves the right to review the Assignment after every twenty (20) working days and to reassign the Employee to his or her regular duties or extend the period of Assignment.

27.2. Permanent Non-Duty Disability. An Employee who has a permanent Non-Duty Disability, which prevents him or her from performing the duties of his or her classification, may request an investigation by the Chief Administrative Officer of what duties he or she may perform and the proper classification these duties fall under. The Chief Administrative Officer may then recommend to the Employee and the Appointing Authority that the Employee be Demoted, Transferred, reassigned, or terminated.

27.3. The Employee may be Assigned or Transferred temporarily to a lower class as provided in Section 1 above until final action is taken.

27.4. Duty-Connected Disability. An Employee who has become disabled which prevents the Employee from performing the duties of the classification that the Employee held at the time of his or her disablement, may request an investigation by the Chief Administrative Officer for a determination of what duties he or she may perform and the proper classification these duties fall under. The Chief Administrative Officer may then recommend to the Employee and the Appointing Authority that a Demotion to a lower class, Transfer of Employee, or the reassignment of the Employee's duties be made.

27.5. Any Employee removed from the payroll through the operation of this article, if he or she files with the Chief Administrative Officer at least once every three (3) months a statement from a physician which indicates that he or she is unable to perform the duties of his or her Position, shall be considered to be on leave not to exceed one (1) year and shall be reinstated in his or her Position upon filing with the Chief Administrative Officer a statement signed by a physician which indicates that he or she is physically fit to perform the duties of his or her Position, and the physician for such latter statement shall be chosen and compensated by the City.

27.6. Any Employee who has been Continuously Employed by the City for not less than six (6) months in the classified and/or unclassified service shall be eligible for long-term income protection to age 70 for disability; however, there shall be no such protection for disability caused by any injury or illness for which the Employee received professional medical care or treatment within ninety (90) consecutive days prior to when the Employee otherwise becomes eligible for such protection, unless ninety (90) consecutive days elapse from the time when the Employee otherwise would be eligible for such protection and during such ninety (90) consecutive days the Employee neither receives nor requires professional medical care or treatment for such injury or illness.

27.7. For the purposes of this Article, disability means that which is caused by illness or injury which occurs during the Employee's term of employment and which prevents the Employee from performing the major tasks of the Employee's Position.

27.8. Payment of benefits pursuant to this Article to a disabled Employee shall commence when the Employee has a disability pursuant to this Agreement. The amount of such payments shall be 65% of the Employee's Basic Hourly Rate as of the time that Employee's sick leave is exhausted, or the parties agree to commencement of such payments, but shall not exceed an amount equivalent to a monthly rate of pay of \$3,500; however, for any pay period, the amount of such payment shall be reduced by any amount that the Employee receives for such pay period as a retirement or disability pension from the Public Employees Retirement Association, the Duluth Firemen's Relief Association, the Duluth Police Pension Association, or from the federal government pursuant to the federal Old-Age, Survivors and Disability Insurance Act, and by any other disability insurance or disability annuity payment, and by any amount that the Employee receives as workers' compensation in lieu of wages or salary. Any cost of living adjustment to any amount received as a retirement or disability pension or as workers' compensation shall not be used to reduce the amount of such payment. The amount of such payment for any pay period shall also be reduced by any amount that the Employee receives as wages or salary during that pay period, but only when the total amount that the Employee has received for wages or salary during the calendar year exceeds \$5,000.

27.9. a. Payment of benefits due under this Article shall be calculated for each regular pay period, and shall be paid for the period at the same time as Employees are then paid pursuant to Article 12 of this Agreement. For any pay period the City may deduct from the payment of benefits any amount which the Employee previously received as payments of benefits but to which the Employee was not entitled because of the provisions of this Article.

b. As benefits due under this Article, the Employer may offer to any Employee who is disabled an Assignment, at such Employee's present rate of pay, to any Position, or one with tasks or equipment modified to accommodate Employee's medical restrictions, in his or her present or lower classification, the duties of which the Employee is medically able to perform. Such Assignment shall not result in the denial of promotion to, or the layoff of, a classified Employee.

27.10. Within 24 months from the date of injury or illness causing such disability, if the Employee is still receiving benefits pursuant to this Article, the Employee shall:

a. Return to the Position with the City which the Employee occupied when he or she became disabled; or return to a Position with the City, which may have tasks or equipment modified to accommodate Employee's medical restrictions, for which the Employee is qualified, if such Position is available; but only if the Employee provides written information from a physician, chosen and compensated by the City, which indicates that the Employee is then capable of performing the duties of such Position; or

b. Request rehabilitation or retraining designed to return the Employee to other work which produces an economic status as close as possible to that enjoyed by the Employee before the illness or injury; the costs of such rehabilitation and/or retraining shall be borne by the City; such rehabilitation or retraining may include, but is not limited to, medical evaluation, physical rehabilitation, work evaluation, counseling, job placement, and implementation of on-the-job short-term training; or

c. Apply for permanent total disability status. Total disability (as defined in Minnesota Statutes Section 176.101, Subd. 5) means the total and permanent loss of the sight of both eyes, the loss of both arms at the shoulder, the loss of both legs so close to the hips that no effective artificial member can be used, complete and permanent paralysis, total and permanent loss of mental faculties, or any other injury which totally incapacitates the Employee from working at an occupation which brings him or her an income.

27.11. Receipt of long-term disability income protection benefits shall cease at the expiration of 24 months from the date of injury or illness causing such total disability unless the Employee has complied with Section 27.10 of this Article and has been determined to be returned to work, or to be rehabilitated and/or retrained, or to be eligible for continuing total disability benefits because he or she is disabled as defined in paragraph 27.10.c. Such determination shall be based upon verification by the Employee's treating physician, or a physician appointed by the City, that the determination is consistent with the Employee's medical condition. If there is disagreement with the Employer's determination, it shall be resolved pursuant to the Grievance procedure of Article 35.

ARTICLE 28 - LEAVES OF ABSENCE

28.1. Any Employee who for any reason approved by the Appointing Authority desires to secure leave from his or her regular duties, may, on written request approved by the Appointing Authority, be granted special leave of absence without pay for a period not exceeding one (1) year, provided; however, any leave that exceeds thirty (30) calendar days must also be approved by the Chief Administrative Officer.

28.2. Any Employee asking for special leave without pay shall submit his or her request in writing, at least fifteen (15) calendar days prior to the date the Employee desires the leave, stating the reasons why in the Employee's opinion the request should be granted, the date when the Employee desires the leave to begin and the probable date of the Employee's return.

28.3. The Appointing Authority or Chief Administrative Officer shall respond within five (5) calendar days of the request for each special leave of absence without pay in writing, stating if the leave is to be approved, whether the Employee granted such leave shall be entitled to his or her former Position upon the Employee's return from such leave or whether his or her name shall be placed on the re-employment list for the class for which the Employee is classified.

28.4. No benefits or seniority shall be lost by the Employee during leaves of thirty (30) calendar days or less. No benefits or seniority shall be accrued after the first thirty (30) calendar days of any leave. Any Employee wishing to be covered under the City's insurance plans may for the first six (6) months of such leave pay the Employee's and the Employer's share of the cost of coverage.

28.5. Leaves of absence without pay for a period of less than thirty (30) calendar days may be granted by a department head. Leaves of absence for over three (3) consecutive days should not be approved by any department head except for the following reasons:

- a. When it is shown that the City will benefit from such leave.
- b. Personal or family emergency.
- c. As provided for in Section 28.6 of this Article.
- d. Service upon a Board or a Commission where such leave is required for attendance at such meeting, and/or will benefit the City.

28.6. Military leaves of absence shall be granted with pay for up to fifteen (15) days per year as required by Minnesota Statutes Section 192.26, or any act amendatory thereof. Where possible, all military leaves with pay shall be taken while the Employee is not working, and no Employee under this agreement shall request of the military unit to which the Employee is assigned, or the Commander thereof, that the Employee be assigned or authorized military duty

for which the Employee would be entitled to leave with pay from the City during the time the Employee is working.

28.7. City Employees who are officers or appointed representatives of the Employees' organization or appointed to its staff for the purpose of performing services for such organization shall be afforded reasonable time off for the purposes of conducting the duties of the Employee organization; and shall, upon request, be provided with leaves of absence to the elected or appointed capacity of the exclusive representative as required by law.

28.8. An Employee accepting an appointed Position with the City shall be on a leave of absence during the period of such appointment and upon the expiration of such appointment shall be reinstated to the class held prior to such appointment.

ARTICLE 29 - TRANSFERS AND DEMOTIONS WITHIN CLASSIFIED SERVICE

29.1. The Transfer of an Employee from a Position in one class to another Position in the same class in the same department shall be called an Assignment and may be made by the Appointing Authority; provided, that if change in the rate of compensation is involved, the Assignment may be made only if the consent of the Board is obtained.

29.2. Departmental Transfers. The Transfer of an Employee from a Position in one job title to another Position in the same job title in a different department shall be called a departmental Transfer, and may be made only with the consent of the Appointing Authority or authorities concerned and the Employee; provided, that if, in the judgment of the Appointing Authority of the department to which the Employee is Transferred, the services rendered by the Employee are not satisfactory, or if the Employee feels that the new Position is unsatisfactory, such Employee shall be returned to his original Position at any time within thirty (30) calendar days after the department Transfer is made.

29.3. Any Employee who desires to be Transferred may inform the Chief Administrative Officer in writing of such desire, stating the reasons therefor, and the Chief Administrative Officer shall, if he or she considers the reasons sufficient and if he or she thinks such Transfer will be for the good of the City service, call to the attention of the Appointing Authorities concerned the desire of the Employee to be Transferred when a Position in some other departmental unit becomes vacant; provided, that the Chief Administrative Officer may himself or herself take the initiative recommending Transfer when he or she considers such actions for the good of the City service.

29.4. The Voluntary Transfer of an Employee shall result in suspension of seniority in the original department; provided, that return to the original department shall revive the seniority so suspended. No seniority shall be lost in involuntary Transfers.

29.5. a. Upon the request of an Employee and the Appointing Authority an Employee may be reclassified from a higher to a lower classified Position, which in the discretion of the Appointing Authority, the Employee is eligible to fill.

b. The Appointing Authority proposing the Demotion of an Employee shall make his or her recommendation in writing to the Chief Administrative Officer, and shall supply the Employee with a copy of such recommendation, and such recommendation shall give the future date on which the proposed Demotion is to become effective, the class to which it is proposed to demote the Employee, the new rate of pay, and any other information that the Chief Administrative Officer may require; including the specific reasons why the Demotion is being recommended; provided, that the recommendation shall also advise the Employee that he or she may grieve pursuant to Article 35 of this Agreement if he or she does not agree with the Appointing Authority's recommendations.

c. Upon the decision of the Chief Administrative Officer to approve a recommendation of Demotion, he or she shall submit said approved recommendation to the next Civil Service Board meeting for the appropriate classification changes.

ARTICLE 30 - DISCIPLINE, SUSPENSIONS, REMOVALS

30.1. Discipline.

Disciplinary action may be imposed upon an Employee only for just cause. Disciplinary action may be grieved by the Employee through the regular Grievance procedure as provided in Article 35. Disciplinary action shall include only the following: 1) written reprimand; 2) suspension; 3) Demotion; and 4) removal. Except in the case of a severe breach of discipline, any suspension, Demotion, or removal action shall be preceded by a written warning. An Employee shall be given the opportunity to have a Union representative present at any questioning of the Employee during a meeting with a Manager or the Appointing Authority for the purpose of determining what disciplinary action against the Employee will be taken. If the Appointing Authority has reason to reprimand an Employee, it shall be done in a manner that will not embarrass the Employee before other Employees or the public.

30.2. Suspensions.

a. The Appointing Authority or any Manager acting for him or her in his or her absence, may for disciplinary purposes suspend without pay any Employee under his or her supervision from the performance of his or her duties.

b. Employee to be Notified of Suspension. In case the Appointing Authority or the supervisor acting in his or her place suspends any Employee, he or she shall forthwith give written notice to the suspended Employee stating the reason for the suspension and the duration thereof, and shall forthwith personally deliver such written notice to the Employee or send by certified mail to his or her last known address; he or she shall also forthwith send to the Union a copy of such notice sent to the Employee. Such notice shall also advise the Employee that he or she may grieve pursuant to Article 35 if he or she disagreed with the action of the Appointing Authority.

30.3. Removals.

a. An Appointing Authority may remove any Employee who has completed the probation period prescribed in accordance with the Duluth Civil Service Code (Duluth City Code Chapter 13) only for just cause.

b. Any charges filed against any Employee shall state specifically the just cause or causes the Appointing Authority feels are sufficient to constitute grounds for removal, and in addition, the specific act or acts of such Employee constituting such cause; provided, that in no case shall such vague and indefinite charges as "for the good of the City" be considered for removal and that in no case may an Employee be removed on account of their religious or political opinions or affiliations or for refusing to contribute to a political fund or to render political service.

c. Any Employee proposed to be removed for just cause, shall be notified in writing of the charges against him or her, the date of separation, and the rights of the Employee to file a formal Grievance under the union contract. The Appointing Authority shall forthwith personally deliver such written notice to the Employee or send by certified mail to the Employee's last known address and shall also forthwith send to the Union a copy of such notice sent or delivered to the Employee.

30.4. If the Employee being removed files a Grievance or demands a veterans hearing, the Employee shall be placed on suspension without pay until the Grievance is resolved except during the time where suspension without pay is prevented by law.

30.5. When an Employee is removed or suspended pending removal, the Employee may utilize the arbitration procedure or the Civil Service Board hearing procedure to review the removal, but the Employee must choose to use only one of the procedures, and shall be allowed only one hearing procedure to review the removal.

ARTICLE 31 - RESIGNATIONS

31.1. Any Employee who wishes to resign in good standing shall give the Appointing Authority written notice of at least two (2) weeks, unless the Appointing Authority consents to his or her leaving on shorter notice. Such notice of resignation shall be forwarded forthwith to the secretary by the Appointing Authority, together with a report as to the character of the Employee's services.

31.2. If any Employee resigns without giving the required notice, the secretary shall enter that fact on his or her roster card, and such failure to give the required notice may be considered sufficient reason for rejecting any future application from him or her to enter tests.

31.3. Any Employee who has resigned after giving proper notice may, within thirty (30) days after termination of employment, and with the consent of the Board, withdraw his or her

resignation and be restored to the position vacated if such position is still in the classified service, and if it is still vacant or is filled by a provisional Employee; if it is not thus available, he or she may, upon written request to the secretary, have his or her name placed on the re-employment list for the appropriate class. A person who returns to employment pursuant to this paragraph shall not forfeit his or her seniority held before resignation.

31.4. Any Employee who is absent from duty for three (3) consecutive business days without securing leave from his or her superior officer or without notifying him or her of the reason for his or her absence and the time when he or she expects to return, or who fails to notify the secretary of his or her readiness to resume his or her duties within five (5) days after the expiration of a leave of absence, shall be considered to have resigned, and such resignation shall be treated as a resignation without notice and a report thereof made to the secretary.

ARTICLE 32 - LAYOFFS OF EMPLOYEES

32.1. When it becomes necessary, through lack of work or funds, or to obtain efficiencies, or for other causes for which an Employee is not at fault, to reduce the number of Employees within a department, the following procedure shall apply:

a. All temporary, all non-classified provisional, and substitute Employees shall be the next to be laid off within a department.

b. Permanent Employees who are substituting or temporarily filling a vacant Position shall, during any layoff, return to their permanent Position.

c. Permanent Employees who are promoted provisionally shall, during any layoff, return to their former permanent Position.

d. Layoffs shall be done in the reverse order in which the affected Employees' names appear on the seniority roster (names of least senior Employees shall appear toward the bottom of the roster and shall be laid off first). Seniority rosters by classification shall be maintained by the Union and made available to the Employer upon request. For purposes of the order of names on the seniority roster, seniority shall be determined first by the total department years as a permanent Employee in the classification. If a tie then exists in seniority years, then seniority order shall be determined by total years of permanent classified service with the City. Then, if a tie still exists, the order of seniority shall be determined from an average of the three most recent Employee efficiency ratings. If less than three ratings are available, then the number of available ratings shall be used. The highest ratings average shall result in the highest position on the seniority roster.

e. Once each year, an Employee, in writing to the Union and the department Manager, may direct that his or her name be placed in a designated, lower position on the seniority roster. The Employee may do this only voluntarily, of his or her own free will, and in total absence of coercion. If the requirements of this paragraph are met, the Employee's name shall be

placed in the designated order on the seniority roster, and layoff order will thus be changed. If Union, Employer, or Employee believes the Employee's action under this paragraph is not fully voluntary, a Grievance may be filed.

f. Bumping: When an Employee is laid off in such class in the work force, he or she shall be permitted to exercise his or her seniority rights to bump -- replace an Employee with less seniority. Such Employee may, if he or she so desires, bump any Employee in a lower job classification provided the bumping Employee has greater seniority than the Employee whom he or she bumps and shall be accomplished according to the following procedure:

(1) Elimination of a Position in a job series, other than entry level and where an Employee is affected, the following bumping procedure shall apply:

(a) The least-senior Employee(s) in the lowest class in a job series shall be laid off first.

(b) Employee(s) in the next-higher class shall be given the option to bid on the vacant Position(s) by total seniority. If no Employee(s) choose to take the lower Position, the least-senior Employee(s) shall be required to fill the lower Position. This procedure shall be followed in each higher class until the Position which was eliminated is reached.

(c) Any Employee who is the least senior and who chooses not to take a lower Position shall be placed on the re-employment list and the laid-off Employee in the class so affected shall be rehired if laid off.

(2) When a Position that is not in a negotiated job series is eliminated, the Employee lowest (least-senior) on the seniority roster shall be laid off first.

32.2. Provided, further, that any person laid off under the provisions of this section shall have the same rights with respect to seniority in the higher job class as if he or she had been actually so employed.

32.3. For the purposes of this Article, all Employees in the clerical or stenographic series are to be considered as one (1) department. Total Continuous Employment with the City shall apply.

32.4. For the purposes of this Article, job class shall be defined to mean a job title that has been classified by the Civil Service Board or by the City Council as a permanent Position within the City.

32.5. For the purposes of this Article, series of job classes shall be defined to mean a series of job titles sufficiently similar in respect to the duties, responsibilities, and authority thereof that the same descriptive title may be used to designate each Position allocated to the job title, that the same requirements as to education, experience, capacity, knowledge, proficiency, ability may

be used to choose the qualified Employee. All series of job titles shall be determined by the Personnel Committee. "Series of Job Titles" does not refer to a list of jobs held by a particular Employee during tenure with the City.

32.6. Demotions made in accordance with this Article are not subject to the requirement contained in the Demotion Article, but are subject to the Grievance procedure, Article 35.

32.7. The Appointing Authority shall notify in writing the Employee or Employees to be laid off at least ten (10) working days prior to actual layoff and shall forthwith transmit to the Civil Service Board and the Union the names of those so notified.

32.8. An Employee who is laid off for cause not attributable to the Employee pursuant to this Article, and ceases to be employed by the Employer shall be entitled to severance pay in an amount not less than two (2) months' salary payable under this contract for the Position the Employee permanently occupied at the time of layoff. The right to severance pay attaches at the time of layoff. For convenience of the Employer, the severance pay is payable in installments at the times specified in Article 12, and at the rate of the Position from which he or she was laid off.

32.9. If the Employee is recalled to work, or offered work by the Employer at the same or higher salary than that at which Employee was paid at the time of layoff, then the Employee shall forfeit back to the Employer any amount of severance pay not already paid to the Employee. If the Employee is laid off from this re-employment Position, then the City shall pay, in the manner specified above, the amount of severance pay that would have been payable had the Employee not forfeited it by being recalled to work.

32.10. If the Employee is recalled to work the Employee shall retain his or her seniority date and seniority years of service, excluding time in excess of thirty (30) days that Employee was laid off.

ARTICLE 33 - RE-EMPLOYMENT LIST

33.1. The name of any Employee who has been laid off shall be placed on the re-employment list. The Employer shall enter on the appropriate re-employment list(s) the names of those eligible for re-employment and those who desire to be re-employed when vacancies occur in the class(es).

33.2. The names shall be arranged on the re-employment list for each class and all lower classes in the same series, in the order of their total seniority in that and higher classes; provided, that if any Employee has not been re-employed, the Manager of Human Resources, Healthcare & Safety shall, on or about the anniversary date of the layoff, contact each person laid off by certified mail to determine if such person is interested in remaining on such list(s). If the person is no longer interested, or without giving a satisfactory reason, refuses to accept an appointment offered him or her, the Manager of Human Resources, Healthcare & Safety may remove his or her name from any re-employment list. An Employee refusing to accept an appointment for a Position in a

lower class than the one from which he or she was originally laid off shall have his or her name removed from such list.

ARTICLE 34 - JURY DUTY

34.1. Employees shall receive a leave of absence with pay for any required appearance for jury duty; provided, however, that if an Employee is released from such duty prior to the expiration of his or her normal workday, he or she shall immediately return to his or her job and continue his or her duties as an Employee.

ARTICLE 35 - GRIEVANCE PROCEDURE

35.1. An Employee or group of Employees with a Grievance shall within twenty-one (21) calendar days after the first occurrence of the event giving rise to the Grievance present such Grievance through the Union in writing to the appropriate department head or, in the absence of such department head, to the department head's authorized representative.

35.2. Within five (5) calendar days after receipt of a copy of the Grievance, the Chief Administrative Officer or his or her designee shall assign a fact-finder to investigate the Grievance. The fact-finder shall, within twelve (12) calendar days of such assignment, make a written report of his or her findings to the Chief Administrative Officer, the department director, and the Union.

35.3. The department head or his or her authorized representative shall present the Employer's position in writing to the Employee or Employees and the Union within twelve (12) calendar days after receipt of such Grievance. Grievances not resolved within the department must be presented by the Employee or Employees through the Union in writing to the Chief Administrative Officer within twelve (12) calendar days after the department head has given his or her reply to such Grievance. The Chief Administrative Officer shall reply in writing to the aggrieved Employee or Employees and the Union within twelve (12) calendar days after receipt of such Grievance. The resolution of Grievances settled by the procedures set forth in this paragraph shall be reduced to writing and signed by the Employee or Employees, the Union, and the Employer.

35.4. If the Grievance is not settled in accordance with the foregoing procedure, the Union may, within twelve (12) calendar days after receipt of the reply of the Chief Administrative Officer, submit the Grievance to arbitration by serving notice in writing of such submittal upon the Chief Administrative Officer. Either party may request the Bureau of Mediation Services of the State of Minnesota to submit a panel of either five (5) or seven (7) arbitrators. The parties shall each have the right to alternately strike a name from the panel until one remains. If the parties are unable to agree on who shall strike the first name, the question shall be decided by a flip of the coin. The remaining person shall be the arbitrator. The arbitrator shall be notified of his or her selection by a joint letter from the parties requesting that he or she set a time and a place for a hearing on the Grievance, subject to the availability of the parties.

35.5. The arbitrator shall have no right to amend, modify, nullify, ignore, add to, or subtract from the provisions of this Agreement. He or she shall consider and decide only the specific issue(s) submitted to him or her in writing by the parties, and shall have no authority to make a decision on any other issue not so submitted to him or her. More than one (1) Grievance may be heard by the same arbitrator by mutual agreement of the parties. Either party may, if it desires, submit a brief to the arbitrator setting forth its position with respect to the issue(s) involved in a Grievance. The arbitrator shall be without power to make decisions contrary to or inconsistent with or modifying or varying in any way the application of laws and rules and regulations having the force and effect of law. The arbitrator shall submit his or her decision in writing to the parties and shall file a copy of such decision with the Bureau of Mediation Services of the State of Minnesota. The decision shall be based solely upon his or her interpretation of the meaning or application of the express terms of this Agreement to the facts of the Grievance presented.

35.6. The decision of the arbitrator shall be final and binding upon the parties, except that an appeal may be taken to the District Court on the grounds that the order of the arbitrator violates the guidelines imposed upon him or her by the provisions of this Article.

35.7. The fee and expenses of the arbitrator shall be divided equally between the parties; provided, however, that each party shall be responsible for compensating its own representatives and witnesses. If either party desires a verbatim record of the arbitration proceedings, it may cause such a record to be made, providing it pays for the record. If both parties desire a verbatim record of such proceedings, the cost shall be shared equally.

35.8. If a Grievance is not presented within the time limits set forth above, it shall be considered waived. If a Grievance is not appealed to the next step within the specified time limit or any agreed extension thereof, it shall be considered settled on the basis of the Employer's last answer. If the Employer does not answer a Grievance or an appeal thereof within the specified time limits, the Employee or Employees or Grievance Committee may elect to treat the Grievance as denied at that step and immediately appeal the Grievance to the next step. The time limit in each step may be extended by mutual written agreement of the parties involved in each step.

35.9. All documents, communications, and records dealing with a Grievance shall be filed separately from the personnel files of the Employees involved. Access to all information necessary to the determination and processing of a Grievance shall be made available to all participants.

35.10. If, as a result of the reply of the Chief Administrative Officer or his or her designee's response in Section 35.2, the Grievance remains unresolved and if the Grievance involves the suspension, Demotion, or discharge of an Employee who has completed the required probationary period, the Grievance may be appealed either through this Article or to another procedure such as Veterans Preference or fair employment. If appealed to any procedure other than this Article, the Grievance shall not be subject to the arbitration procedure provided in this Article. The aggrieved Employee shall indicate in writing which procedure is to be used – this Article or an alternative

procedure – and shall sign a statement to the effect that the choice of an alternate procedure precludes the Employee from making an appeal through this Article.

The election set forth above shall not apply to claims subject to the jurisdiction of the United States Equal Employment Opportunity Commission. An Employee pursuing a remedy pursuant to a statute under jurisdiction of the United States Equal Employment Opportunity Commission is not precluded from also pursuing an appeal under the Grievance procedure of this Agreement. If a court of competent jurisdiction rules contrary to the ruling in *EEOC v. Board of Governors of State Colleges and Universities*, 957 F. 2d 424 (7th Cir.) *cert. denied*, 506 U.S. 906 (1992), or if *Board of Governors* is judicially or legislatively overruled, this paragraph of this Section 35.10 shall be null and void.

ARTICLE 36 - LABOR MANAGEMENT AND PERSONNEL COMMITTEE(S)

36.1. Labor Management Committee. The Union will work with Employer to create a bona fide labor management committee with the assistance of the Bureau of Mediation Services for the continuing purpose of meeting and discussing matters of mutual concern. The Union and Employer agree that the goal is to establish a citywide labor management committee which shall consist of an equal number of appointed management and City bargaining unit representatives. The citywide Labor Management Committee has the authority to establish labor management subcommittees, including the joint Health Insurance Labor-Management Subcommittee provided for in Article 14.13, monitor their progress, forward subcommittee recommendations to the administration, and dissolve subcommittees. The citywide Labor Management Committee shall operate on a recommendation basis only, and the committee chairs shall mutually determine all questions of process, procedure, and agenda content. The labor management subcommittees shall be responsible for collaboratively addressing common interests that may include, but are not limited to the following:

- Budget-related issues
- Working environment
- Health and safety issues
- Work process and customer service improvement
- Employee recruitment and retention

36.2. Personnel Committee. A Committee consisting of one (1) representative of the Union and one (1) representative of the Employer shall be established for the purposes of carrying out the following functions during the period of this Agreement:

Upon the request of either the Union or Employer the Personnel Committee shall meet to discuss job audits and related issues. Unless otherwise stated below, all requests for job audits for the purpose of determining whether the specifications for a job title should be amended, whether certain Positions should be reclassified to a different job title, or whether there is a need to establish a new job title to describe an existing Position shall be reviewed by the Personnel Committee prior to staff audit work.

Upon completion of staff audit work, a copy of the audit shall be sent to the Union no later than fourteen (14) calendar days prior to the approval request.

36.3. The Personnel Committee shall meet and negotiate the pay rate for:

- a. Any new or modified job specification or title resulting from a job audit.
- b. Any new Position with a new title created unrelated to a job audit.

36.4. If the Employer decides to establish any apprenticeship programs for Employees in the unit, then the Personnel Committee shall meet to confer about the establishment of apprenticeship programs. That Committee shall establish a separate set of standards for training and apprenticeship for Employees covered by this Agreement. That Committee shall approve all apprenticeship programs, including training programs, course content, the development of a monitoring system to comply with the programs that are established, and the development of a verification procedure for compliance. If the Employer and Union representatives on the Committee mutually agree on such a program, a supplemental agreement shall be prepared and recommended for approval by the City Council.

ARTICLE 37 - COMPLETE AGREEMENT AND WAIVER OF BARGAINING

37.1. The parties acknowledge that the provisions contained in this Agreement constitute the entire Agreement between the parties and the provisions of this Agreement are not subject to renegotiation, except with the mutual consent of the parties.

ARTICLE 38 - UNION RIGHTS

38.1. All new Employees shall be informed by the Employer that the Union is the exclusive representative of Employees in the unit. The Employer shall provide each new Employee with a copy of this Agreement, together with a list of the officers of the Union, and designated steward in the Employee's department. All new Employees shall also be informed that a fair share fee in lieu of union membership may be charged by the Union as provided by state law.

ARTICLE 39 - REOPENERS

39.1. The parties agree to meet and confer in the Health Insurance Labor-Management Subcommittee for appropriate changes in hospital-medical benefit Plan, dental insurance Plan, and Disability Income Protection Plan(s), to achieve reasonable and conservative cost containment suggestions, and then negotiate contract changes, if possible.

ARTICLE 40 - COMPARABLE WORTH

40.1. The Employer agrees to comply with current comparable worth laws. If any changes are necessary, they will be negotiated with the bargaining unit.

ARTICLE 41 - UNIVERSAL LANGUAGE

41.1. The parties agree that in matters of medical and dental Plan benefits premiums, and sharing of Plan costs between Employer and Employee, it is beneficial to both parties to achieve language that is universal in all City bargaining unit Agreements. If during the term of this Agreement, the Employer enters into an Agreement with another City bargaining unit that affects such language, the parties agree to meet and negotiate contract changes to achieve universal language, if possible.

ARTICLE 42 - DURATION OF AGREEMENT

42.1. This Agreement shall be effective as of the 1st day of January, 2018, and shall remain in full force and effect through the 31st day of December, 2020, and from year to year thereafter as provided by PELRA.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement the day and year first above written.
