- 25.1 Effective the first day of the month following date of hire, Employees shall be granted up to 120 working days of sick leave with full pay (paid sick leave) during a calendar year, except that such minimum requirement of six months shall not be applicable in connection with any illness or injury arising out of and in the course of employment by the City. A labor-management committee consisting of the City, a union representative, and the Fire Chief or his/her designee, may grant, in writing, up to an additional one hundred twenty (120) days of sick leave if warranted by the employee's documentation of a serious need for such extension. When an Employee uses sick leave, he or she shall immediately report such fact to his or her immediate supervisor. To qualify for paid sick leave, the employee must report off prior to his or her starting time, but must immediately report off when leaving his or her duties.
- 25.2 If an employee's use of paid sick leave reasonably appears to the Appointing Authority to be unjustified, he or she may direct in writing to such employee, for the current or any subsequent absence by the employee claimed to be allowable as paid sick leave, to furnish written explanation by a physician to justify the absence on paid sick leave; failure to furnish written explanation shall preclude the employee from being allowed the absence as paid sick leave, but the employee may appeal the directive to the Human Resources Manager.
- 25.3 For purposes of this article, sick leave is defined to mean the absence of an employee because of illness or injury, exposure to a contagious disease, attendance upon a member of the immediate family, or death in the immediate family of the employee; provided no employee, unless officially assigned to special duty, shall be granted paid sick leave for any injury or illness resulting from any gainful employment on any job which is subject to the provisions of the worker's compensation laws of any state, other than regular City employment.
 - (a) Illness in Family. Upon request, two (2) shifts of paid sick leave shall be allowed for care or attendance upon a member of the immediate family for critical illness, provided, however, additional shifts of paid sick leave shall be allowed for this purpose if supported by a written statement (explaining why the employee's attendance is necessary) from the attending physician. This use of paid sick leave is for emergencies when advance arrangements cannot be made and is limited to members of the immediate family.

- (b) Funeral Leave. Upon request, a maximum of three (3) shifts of paid sick leave shall be granted an employee for a death in the immediate family. If the employee's absence exceeds the allowed time, the excess time shall be charged to vacation or compensatory time off. Article 37 of this agreement shall not apply to the taking of vacation of this purpose. Immediate family includes only any parent, stepparent, child, stepchild, brother, stepbrother, sister, stepsister, spouse, grandparent, grandchild, son-in-law, daughter-in-law, brother-in-law, sister-in-law, or ward of the Employee, and any parent or grandparent of the Employee's spouse.
- (c) Medical Appointments. An employee must obtain prior approval from the appointing authority for the purpose of medical, dental, or optical examination or treatment, when such examination or treatment cannot be scheduled other than during working hours. Such absence on paid sick leave shall be approved only when the employee has made a diligent effort to have such examination or treatment prior to his or her normal working hours, after work, or on a day off.
- (d) Paid Sick Leave on Vacation. Except as provided in this article, paid sick leave will not be allowed during a previously scheduled vacation unless the employee is under the care of a physician because of an unexpected injury or illness and the employee furnishes to the Chief a certificate, signed by the physician, indicating the number of days the employee was actually confined to his or her home or hospital or the Fire Chief approves use of sick leave on vacation when the employee is not confined. The employee will then receive paid sick leave for those days spent confined. If the employee is exposed to a contagious disease and confined under doctor's orders, such employee will be granted paid sick leave in lieu of vacation. There will be no sick leave granted to an employee who is on leave of absence.
- (e) Employee Assistance Program. Any approved absence for participation in the Employee's Assistance Program shall be allowed as paid sick leave. Upon request, a maximum of six (6) half-shifts of paid sick leave shall be granted an employee so that the employee can participate in a family involvement program involving chemical dependency treatment of the employee's spouse or child.
- (f) Birth or Adoption of a child. Upon request, one (1) shift of paid sick leave shall be allowed for care or attendance of the birth or adoption of an employee's child.

25.4 Whenever an employee uses sick leave in excess of two (2) working shifts for a fifty-six (56) hour employee or three (3) days for a forty (40) hour employee, the appointing authority shall direct such employee to furnish written explanation by a physician to justify such absence on paid sick leave; failure to furnish such written explanation shall preclude the employee from being allowed such absence as paid sick leave. This section shall not apply to funeral leaves.

25.5 During any period an employee is absent from work on paid sick leave, he shall not be employed or engage in any occupation for compensation outside of his/her regular City employment except for job related work such as performing duties for the Union or for

the Employees' Relief Association or Credit Union. Violation of the provisions of this paragraph by any employee shall be grounds for suspension of such employee without pay for not to exceed twice the number of days or portions thereof on which such violation has occurred.

- 25.6 Injured or Disabled Employees - Light Duty. Whenever an employee suffers an injury or disability results in the employee's inability, in excess of five (5) shifts, to perform all the duties of his or her position, the employer may, if such employee is capable of performing the work of any other position or any, including his/her own, position modified to accommodate medical restrictions, within the existing work structure of the fire department, assign or transfer the employee to such other position as the employer determines would result in the most effective use of the employee. The employee may remain on their regular scheduled work shift for the first five (5) shifts of light duty. Upon completion of the fifth (5th) light duty shift, the employee will be assigned or transferred as allowed by this article. The employer will determine the working hours of light duty employees based on their medical restrictions and department needs. The employee shall receive total monthly compensation at his/her current monthly salary. Assignment or transfers under this paragraph shall expire at such time as the employee is able to perform the regular duties of the position held before injury or disability, but the employer may terminate the assignment earlier and allow the employee to receive sick leave, up to the maximum allowed in this contract, or disability benefits that are available. Employees shall be allowed to substitute unused compensatory time, vacation time, or personal leave days in lieu of light duty.
- 25.7 Employees normally scheduled to work a 56 hour week, who are assigned, pursuant to Article 25.6, to work a 40 hour week that includes a holiday, shall have the option of working the holiday, or using vacation, personal leave, or compensatory time, for that holiday.
- 25.8 If an assignment under this provision is refused by an employee, and justification for the refusal is not provided by the employee's treating physician, or a medical doctor furnished by the employer to evaluate the medical condition, paid sick leave, or other benefits otherwise available to the employee, will be unavailable to him or her. In case of a dispute as to whether the employee can perform assigned work, the employer may use its own doctors or other experts to evaluate the employee's medical condition, or work capacity.

ARTICLE 26 - LONG TERM DISABILITY INCOME

- 26.1 Any employee who has been continuously employed by the City for not less than six (6) months in the classified and/or unclassified service shall be eligible for long term income protection to age 70 for disability; however, there shall be no such protection for total disability caused by any injury or illness for which the employee received professional medical care or treatment within ninety (90) consecutive days prior to when the employee otherwise becomes eligible for such protection, unless ninety (90) consecutive days elapse from the time when the employee otherwise would be eligible for such protection

and during such ninety (90) consecutive days the employee neither receives nor required professional medical care or treatment for such injury or illness.

- 26.2 For the purposes of this Article, disability means that which is caused by illness or injury which occurs during the employee's term of employment and which prevents the employee from performing the major tasks of the employee's position.
- 26.3 Payment of benefits pursuant to this article to a disabled employee shall commence when the employee exhausts his or her allowance of 120 days of sick leave with full pay provided by Article 24 of this Agreement. The amount of such payments shall be 65% of the employee's basic hourly rate as of the time commencement of such protection, but shall not exceed an amount equivalent to a monthly rate of pay of \$3,500; however, for any pay period, the amount of such protection shall be reduced by any amount that the employee receives for such pay period as a retirement or disability pension from the Public Employees Retirement Association, the Duluth Firemen's Relief Association, the Duluth Police Pension Association, or from the federal government pursuant to the federal Old-Age, Survivors and Disability Insurance Act, and by any other insurance or disability annuity payment, and by any amount that the employee receives as worker's compensation in lieu of wages or salary. Any cost of living adjustment to any amount received as a retirement or disability pension or as worker's compensation shall not be used to reduce the amount of such protection. The amount of such protection for any pay period shall also be reduced by any amount that the employee receives as wages or salary during that pay period, but only when the total amount that the employee has received for wages or salary during the calendar year exceeds \$5,000.
- 26.4 Payments of benefits due under this article shall be calculated for each regular pay period, and shall be paid for the period at the same time as employees are then paid pursuant to Article 22 of this Agreement. For any pay period the City may deduct from the payment of benefits any amount which the employee previously received as payments of benefits but to which the employee was not entitled because of the provisions of this Article.
- 26.5 As benefits due under this article the employer may offer to any employee who is disabled, an assignment within the work structure of the Fire Department, at such employee's present rate of pay, to any position, or one with tasks or equipment modified to accommodate employees medical restrictions, in his or her present or lower classification, the duties of which the employee is medically able to perform. Such assignment shall not result in the denial of promotion to, or the layoff of, a classified employee.
- 26.6 Within 24 months from the date of commencement of LTD benefit payments, if the employee is still receiving benefits pursuant to this article, the employee shall:
- (a) Return to the position with the City which the employee occupied when he or she became disabled; or return to a position with the City, which may have tasks or equipment modified to accommodate the employee's medical restrictions, for

which the employee is qualified, if such position is available; but only if the employee provides written information from a physician, chosen and compensated by the City, which indicates that the employee is then capable of performing the duties of such position; or

- (b) Request rehabilitation or retraining designed to return the employee to other work which produces an economic status as close as possible to that enjoyed by the employee before the illness or injury; the costs of such rehabilitation and/or retraining shall be borne by the City; such rehabilitation or retraining may include, but is not limited to, medical evaluation, physical rehabilitation, work evaluation, counseling, job placement, and implementation of on-the-job short-term training; or
- (c) Apply for continuing permanent total disability status. Total disability (as defined in Minnesota Statutes 176.101, Subd. 5) means the total and permanent loss of the sight of both eyes, the loss of both arms at the shoulder, the loss of both legs so close to the hips that no effective artificial member can be used, complete and permanent paralysis, total and permanent loss of mental faculties, or any other injury or illness which totally incapacitates the employee from working at an occupation which brings him or her an income.

26.7 Receipt of long-term income protection benefits shall cease at the expiration of 24 months from the date of commencement of LTD benefit payments unless the employee has complied with Article 26.6 and has been determined to be returned to work, rehabilitated and/or retrained, or eligible for continuing total disability benefits because he or she is disabled as defined in Article 26.6(c). Such determination shall occur upon medical verification by the employee's treating physician and a physician appointed by the City that the determination is consistent with the employee's medical condition. In event of disagreement, a third person mutually agreed upon by the employee and the City shall act as arbitrator. The arbitrator's decision as to whether the determination is consistent with the employee's medical condition shall be binding on both parties.

26.8 While an employee is entitled to receive long-term disability income protection pursuant to this Agreement, the Employer shall provide hospital-medical insurance coverage and monthly Employer premium cost-sharing for such employee. The Employer shall deduct from each eligible and enrolled Employee's long-term disability income protection payments the amount by which the monthly premium cost of the Employee's single or family-dependent hospital-medical plan coverage exceeds the Employer's contribution stated in Article 18.1(a) and (b) above.

ARTICLE 27 - LIFE INSURANCE

- 27.1 The Employer shall pay the full cost of \$50,000 group term life insurance for each eligible employee. All employees shall receive such life insurance coverage on the first day of the calendar month following completion of six (6) months service.
- 27.2 Such insurance terminates on the last day of the month in which an employee terminates his/her employment. Employees are responsible to contact the Auditor's office at least one (1) month prior to retirement to verify any insurance benefits due after termination.
- 27.3 While an employee is entitled to receive long-term income protection pursuant to Article 26 of this Agreement, the Employer shall maintain such life insurance coverage for such employee as it does for active employees.

ARTICLE 28 - LIFE INSURANCE - RETIREES

- 28.1 The Employer shall pay full cost of term life insurance for any employee who retires from employment with the City after approval of this contract, after having been employed by the City for such total time so as to be qualified by such employment to receive retirement benefits from the Public Employees Retirement Association, the Duluth Firemen's Relief Association, or the Duluth Police Pension Association. The amount of such insurance coverage shall be \$25,000.

ARTICLE 29 - LEAVES OF ABSENCE

- 29.1 Any employee who is mentally or physically incapacitated to perform his/her duties or who desires to engage in a course of study such as will increase his/her usefulness on his/her return to the City, or who for any reason considered good by the Chief desires to secure leave from his/her regular duties, may, on written request approved by the Chief, be granted special leave of absence without pay for a period not exceeding one (1) year, provided, however, any leave that exceeds thirty (30) calendar days must also be approved by the Human Resources Manager.
- 29.2 Any employee asking for special leave without pay shall submit his/her request in writing, stating the reasons why in his/her opinion the request should be granted, the date when he desires the leave to begin and the probable date of his/her return.
- 29.3 For each separate case of special leave without pay, the Chief shall, at the time he/she approves the leave, determine whether the employee granted such leave shall be entitled to his/her former position on his/her return from such leave or whether his/her name shall be placed on the re-employment list for the class.
- 29.4 No leaves without pay over thirty (30) days will be granted until the employee has used all accumulated vacation and accrued compensatory leave.

- 29.5 No benefits or seniority shall be accrued by the employee during such leave, however, any employee wishing to be covered under the City's insurance plans may for the first six (6) months of such leave pay both the employee's and the employer's share of the cost of coverage. No sick leave will be granted to an employee on a leave of absence.
- 29.6 A member of the Union accepting the appointed position of Fire Chief or Deputy Fire Chief shall be on a leave of absence during the period of such appointment and upon the expiration of such appointment shall be reinstated to the class he/she held prior to such appointment.
- 29.7 Military leave shall be handled as governed by appropriate Federal and State laws.
- 29.8 FMLA shall be granted in accordance with Minnesota state law.

ARTICLE 30 - DEMOTIONS

- 30.1 Upon the request of an employee or by the appointing authority an employee may be reclassified from a higher to a lower position. Any employee displaced from such a class shall be demoted to the next lower class in which he/she initiated a probation period.

ARTICLE 31 - DISCIPLINE AND DISCHARGE

- 31.1 An employee who is removed from his/her position while on probation shall have the right to revert to the last position in which he/she completed a probation period.
- 31.2 Any employee who has completed the probationary period may be suspended without pay, discharged or disciplined only for just cause. Discipline may be grieved by the employee through the regular grievance procedure as provided in Article 36. Under normal circumstances, discipline shall be progressive in application and shall include only the following: 1) Verbal Reprimand; 2) Written Reprimand; 3) Suspension; 4) Involuntary Demotion; 5) Removal. Except in the case of a severe or dangerous breach of discipline (such as refusing to carry out lawful reasonable orders during an emergency situation), any suspension, involuntary demotion, or removal action shall be preceded by a warning.
- 31.3 The Chief or any supervisor acting for him/her, may for disciplinary purposes, suspend without pay any Employee under his or her supervision in his or her department for one or more periods aggregating not more than thirty (30) calendar days in a calendar year. He/she shall as soon as practicable give written notice to the Employee stating the reason for the suspension, the duration thereof, and advise the Employee that he/she may grieve pursuant to Article 36 if he/she disagrees with the action. He/she shall personally deliver such written notice to the Employee or mail it to his/her last known address by certified mail.
- 31.4 The Chief or the Human Resources Manager may file written charges, in duplicate, to the Human Resources Manager asking for the removal of any employee. Any charge filed

against any employee shall state specifically the act or acts constituting cause for removal. Upon receiving any such charge the Human Resources Manager shall forthwith mail one (1) copy by certified mail to the last known address of the employee and advise the employee he/she may grieve pursuant to Article 36 if he/she disagrees with the action.

- 31.5 The Chief, or his or her designee, may, for work related reason, stated in writing to the employee, require an employee to submit to a medical examination to determine an employee's medical fitness to do the tasks of his/her employment, and be present at the work place. The employer will pay the cost of the examination. The employer will schedule the examination during regular work hours. The employee may refuse the first examiner chosen by the employer. The examiner's findings will be reported to the employee.

ARTICLE 32 - UNION NOTIFICATION

- 32.1 In the case of any reprimand, the employee shall have the right to have union representatives present. Further, if any employee shall have any letter of notice served to him/her by the employer in regards to any discipline or warning, the Union shall be served with the notice, by way of department mail, at the same time that the employee is served.

ARTICLE 33 - RESIGNATIONS

- 33.1 Any employee who wishes to resign in good standing shall give the Chief written notice of at least four (4) weeks, unless the Chief consents to his/her leaving on shorter notice. Such notice of resignation shall be forwarded forthwith to the secretary by the Chief, together with a report as to the character of the employee's service.
- 33.2 If any employee resigns without giving the required notice, the secretary shall enter that fact on his/her roster card, and such failure to give the required notice may be considered sufficient reason for rejecting any future application from him/her to enter tests.
- 33.3 Any employee who has resigned after giving proper notice may, within thirty (30) days after termination of employment, and with the consent of the Chief withdraw his/her resignation and be restored to the position vacated if such position is still vacant or is filled by a provisional employee; if it is not thus available, he/she may, upon written request to the Chief Administrative Officer, have his/her name placed on the re-employment list for the appropriate class.
- 33.4 Any employee who is absent from duty for two (2) scheduled work shifts without securing leave from the Chief or without notifying him/her of the reason for his/her absence and the time when he/she expects to return, or who fails to notify the Chief of his/her readiness to resume his/her duties within five (5) days after the expiration of a leave of absence, shall be considered to have resigned, and such resignation shall be treated as a resignation without notice and a report thereof made to the Chief Administrative Officer.

ARTICLE 34 - LAYOFFS

- 34.1 When the employer determines it is desirable, in order to obtain efficiencies, or for other causes for which no employee is at fault, to reduce the number of employees within a certain class, the Chief shall act in accordance with this Article.
- 34.2 Temporary, provisional, and substitute employees in such class in the department shall first be terminated. Then such reduction shall be made on the basis of seniority; the employee with the least seniority in such class shall be the first to be displaced from such class and so on. Any employee displaced from such class shall be demoted to the next lower class in which he completed the probation period. Employees shall have their seniority from any reduced classification added to their lower classification seniority for determination of seniority in the lower classification.
- 34.3 The above described procedure shall be re-applied, as is necessary, through to the lowest class; when there is no lower class to which to demote an employee, an employee who would otherwise be demoted shall be laid off.
- 34.4 If persons in a class from which a demotion is to be made have equal seniority in such class, seniority between or amongst such persons shall be determined by the total time such persons have been employed in the classified service by the City.
- 34.5 The name of any employee who is demoted or laid off pursuant to this section shall be placed on the re-employment list for each class from which he/she is laid off. This paragraph shall not be applicable to any temporary or provisional employee.
- 34.6 Demotions or layoffs of an employee made pursuant to this article shall not be deemed to be a removal which is subject to Article 31.

ARTICLE 35 - RE-EMPLOYMENT RIGHTS

- 35.1 The name of any person who has been laid off shall be placed on the re-employment list.
- 35.2 The names shall be arranged on the re-employment list for each class, in which they completed a probationary period, in the order of their total seniority in that and higher classes; provided, that if any employee has not been re-employed, the Human Resources Manager shall, on or about the anniversary date of the layoff, contact each person laid off by certified mail to determine if such person is interested in re-employment. If the person is no longer interested, or without giving a satisfactory reason, refuses to accept an appointment offered him/her, the Human Resources Manager may remove his/her name from the re-employment list.

ARTICLE 36 - GRIEVANCE PROCEDURE

- 36.1 An employee or group of employees with a grievance shall within thirty (30) calendar days after the first occurrence of the event giving rise to the grievance present such

grievance through the Grievance Committee in writing to the Chief, or in the Chief's absence, to his or her authorized representative.

- 36.2 The Chief or his or her authorized representative shall present the Employer's position in writing to the employee or employees and the Grievance Committee within seven (7) calendar days after receipt of such grievance. Grievances not resolved within the Fire Department must be presented by the employee or employees through the Grievance Committee in writing to the Chief Administrative Officer within twelve (12) calendar days after the Chief has given his or her reply to such grievance. The Chief Administrative Officer shall reply to the aggrieved Employee or Employees and the Grievance Committee within twelve (12) calendar days after receipt of such grievance. The resolution of grievances settled by the procedures set forth in this paragraph shall be reduced to writing and signed by the Grievance Committee and the Employer.
- 36.3 If the grievance is not settled in accordance with the foregoing procedure, the Grievance Committee may, within nine (9) calendar days after receipt of the reply of the Chief Administrative Officer submit the grievance to arbitration by serving notice in writing of such submittal upon the Chief Administrative Officer. The parties shall attempt to agree upon an arbitrator within seven (7) calendar days after submittal of the grievance to arbitration and in the event the parties are unable to agree upon an arbitrator within said seven (7) day period, either party may request the Bureau of Mediation Services of the State of Minnesota to submit a panel of five (5) arbitrators. The parties shall each have the right to alternately strike one (1) name from the panel until one name remains. If the parties are unable to agree on who shall strike the first name, the question shall be decided by a flip of the coin. The remaining person shall be the arbitrator. The arbitrator shall be notified of his/her selection by a joint letter from the parties requesting that he/she set a time and a place for a hearing on the grievance, subject to the availability of the parties.
- 36.4 The arbitrator shall have no right to amend, modify, nullify, ignore, add to, or subtract from the provisions of this Agreement. He/she shall consider and decide only the specific issue(s) submitted to him/her in writing by the parties, and shall have no authority to make a decision on any other issue not so submitted to him/her. More than one (1) grievance may be heard by the same arbitrator by mutual written agreement of the parties. Either party may, if it desires, submit a brief to the arbitrator setting forth its position with respect to the issue(s) involved in a grievance. The arbitrator shall be without power to make decisions contrary to or inconsistent with or modifying or varying in any way the application of laws and rules and regulations having the force and effect of law. The arbitrator shall submit his/her decision in writing to the parties and shall file a copy of such decision with the Bureau of Mediation Services of the State of Minnesota. The decision shall be based solely upon his/her interpretation of the meaning or application of the express terms of this Agreement to the facts of the grievance presented.
- 36.5 The decision of the arbitrator shall be final and binding upon the parties, except that an appeal may be taken to the District Court on the grounds that the order of the arbitrator

violates the provisions of Minnesota Statutes Annotated, Section 179.72, Subd. 7, or its successor, relating to the scope of such order.

- 36.6 The fee and expenses of the arbitrator shall be divided equally between the parties. Each party shall be responsible for compensating its own witnesses. If either party desires a verbatim record of the arbitration proceedings, it may cause such a record to be made, providing it pays for the record. If both parties desire a verbatim record of such proceedings, the cost shall be shared equally.
- 36.7 If a grievance is not presented within the time limits set forth above, it shall be considered waived. If a grievance is not appealed to the next step within the specified time limit or any agreed extension thereof, it shall be considered settled on the basis of the Employer's last answer. If the Employer does not answer a grievance or an appeal thereof within the specified time limits, the Grievance Committee may elect to treat the grievance as denied at that step and immediately appeal the grievance to the next step. The time limit in each step may be extended by mutual written agreement of the parties involved in each step.
- 36.8 All documents, communications, and records dealing with a grievance shall be filed separately from the personnel files of the employees involved until final discipline is imposed pursuant to Minnesota law.
- 36.9 Access to all information necessary to the determination and processing of a grievance shall be made available to all participants, to the extent possible under law.
- 36.10 If as a result of the reply of the Chief Administrative Officer's response in Section 36.2, the grievance remains unresolved and if the grievance involves suspension, demotion, or discharge of an Employee who has completed the required probationary period, the grievance may be appealed either to Section 36.3 or to another procedure such as Veterans Preference or fair employment. If appealed to any procedure other than Section 36.3, the grievance shall not be subject to the arbitration procedure provided in Section 36.3.

The election set forth above shall not apply to claims subject to the jurisdiction of the United States Equal Employment Opportunity Commission. An Employee pursuing a remedy pursuant to statute under jurisdiction of the United States Equal Opportunity Commission is not precluded from also pursuing an appeal under the grievance procedure of this Agreement. If a court of competent jurisdiction rules contrary to the ruling in *EEOC v. Board of Governors of State Colleges and Universities*, 957 F. 2d 424 (7th Cir.) cert. denied, 506 U.S. 906 (1992), or if *Board of Governors* is judicially or legislatively overruled, this paragraph of this Section 36.10 shall be null and void.

ARTICLE 37 - SENIORITY - VACATION
AND PERSONAL LEAVE RIGHTS; ASSIGNMENTS

- 37.1 For purposes of this Agreement, seniority shall be determined by the employee's length of continuous full-time service with the Fire Department. The term "continuous service", as used in this article, shall mean a period of employment which has not been interrupted by more than thirty (30) days at any one time, except by authorized leave of absence.
- 37.2 If two or more employees who were hired after January 1, 1983, have the same length of continuous service, any such employee with the highest score on the civil service eligible list from which he/she was appointed shall be deemed to have the most seniority, and so on. If two or more employees have the same length of continuous service and the same such scores, their seniority shall be determined by drawing lots.
- 37.3 Subject to the Chief's right to determine the time at which vacation and personal leave with pay may be taken, vacation and personal leave selection rights shall be determined within work groups by seniority. Vacations will be picked one week at a time (4 - 24 hour shifts) according to seniority by shift. If it should be necessary to move a previously picked vacation because of permanent change in work group, the employee shall be given the vacation that most closely approximates the same time period of original vacation. A vacation shall be deemed four (4) consecutive shifts or as many consecutive shifts as employee has remaining vacation time. Because of the unique job requirements of both 40-hour employees and Assistant Fire Chiefs, they may schedule banked vacation time subject to the Chief's right to determine at which time vacation with pay may be taken.
- 37.4 The Employer and Union agree with the principle that seniority shall be a factor in making assignments.

ARTICLE 38 - MISCELLANEOUS

- 38.1 The Employer agrees to continue providing training material, safety equipment, rubber boots, hygienic supplies, and supplies and materials for cleaning and maintaining the fire stations at the same level as provided during 1978.
- 38.2 The Employer agrees to keep the firehalls structurally safe and sound.
- 38.3 Employees shall be permitted, at their expense, to have one private phone in each firehall, which shall be used solely for non-business matters.
- 38.4 In the event an employee reports to his/her duty station and is thereafter assigned to a different fire station, the Employer agrees to provide such employee with transportation to such different station and back to his/her original duty station after completion of his/her assignment.

ARTICLE 39 - SPECIAL PROVISIONS RELATING TO 24-HOUR SHIFTS

- 39.1 The parties agree that the working of the 24-hour shifts contemplated by this Agreement for employees on a fifty-six (56) hour week creates a need for granting certain special working conditions and employee privileges to such employees. With the understanding between the parties that these special working conditions and privileges may not be appropriate should the employees no longer be working 24-hour shifts, the Employer agrees that the following provisions shall be applicable to employees working 24-hour shifts:
- 39.2 Employees may exchange work shifts with a qualified employee after obtaining permission from the employer. All trades permitted under this paragraph must be paid back in whatever manner is necessary to avoid the payment of overtime wages.
- 39.3 Employees may keep present and like recreational equipment in the firehalls and make use of such equipment at times when they are not assigned to work duties.
- 39.4 Employer will provide sanitary, safe, gender-equitable, and habitable quarters for employees in areas where they live in the firehalls.
- 39.5 Employees may use the beds in the firehalls between the hours of 9:00 p.m. and 7:00 a.m. throughout the week and between the hours of 1:00 p.m. and 5:00 p.m. on Saturdays, Sundays and the legal holidays designated in Article 13.
- 39.6 The City recognizes the positive health and safety benefits of selective dispatch for 24-hour employees, and will continue to advocate for the operation and use of a selective dispatch system.
- 39.7 The employer shall provide on-site parking at all fire stations. There shall be no cost to the employee for parking.

ARTICLE 40 - SAFETY

- 40.1 The Employer recognizes that there are certain unique hazards associated with fire service. To ensure that appropriate consideration be given to the matter of the safety of the firefighters, the Employer shall meet and confer with the Union prior to changing apparatus and/or fire station staffing levels.

ARTICLE 41 - REST PERIOD

- 41.1 Employees whose normal work week is forty (40) hours shall be permitted a rest period of fifteen (15) minutes during each one-half (½) shift. Such rest period will be taken at such time as is established by the Chief.

ARTICLE 42 - NO STRIKE PROVISION

- 42.1 Neither the Union, its officers or agents, nor any of the employees covered by this Agreement will engage in, encourage, sanction, support or suggest any strikes, slow downs, mass resignations, mass absenteeism, the willful absence from one's position, the stoppage of work or the abstinence in whole or in part of the full, faithful and proper performance of the duties of employment for the purpose of inducing, influencing or coercing a change in the conditions or compensation or the rights, privileges or obligations of employment. In the event that any employee violates this article, the Union shall immediately notify any such employee in writing to cease and desist from such action and shall instruct them to immediately return to their normal duties. Any or all employees who violate any of the provisions of this article may be discharged or otherwise disciplined.

ARTICLE 43 - EMPLOYER TO DEFEND AND INDEMNIFY EMPLOYEES

- 43.1 The Employer and the Union recognize the Employer's responsibility to defend and indemnify employees as required by Chapter 466 and by Section 471.86 of Minnesota Statutes.

ARTICLE 44 - COMPLETE AGREEMENT AND WAIVER OF BARGAINING

- 44.1 The parties acknowledge that the provisions contained in this Agreement constitute the entire agreement between the parties, and that the provisions of this Agreement are not subject to renegotiation, except with the mutual consent of the parties.

ARTICLE 45 - UNRESOLVED ISSUES

- 45.1 The parties agree to meet and confer in the labor management committee or a subcommittee thereof for appropriate changes in the medical insurance plan, and long term disability plan, or the effects of state or federal legislation, to achieve reasonable and conservative cost containment suggestions, and then, upon request of either party, negotiate contract changes, if possible.
- 45.2 The parties will also continue to meet and confer, or upon request of either, to meet and negotiate, upon the issues of long term disability plan or in the relationship between PERA and union members.

ARTICLE 46 - DURATION OF AGREEMENT

- 46.1 This Agreement shall be effective as of the 1st day of January, 2015, and shall remain in full force and effect through the 31st day of December, 2017, and after that date the agreement survives until the parties agree to a new contract, as provided by law.

ARTICLE 47 - DISTRIBUTION OF COPIES OF AGREEMENT

- 47.1 The Employer shall give each employee a copy of this Agreement upon request, and make copies available online at Employer's website.

ARTICLE 48 - JURY DUTY

- 48.1 Any employee shall receive a leave of absence with pay for any required appearance for jury duty; however, if the employee is released from such duty prior to the expiration of his or her normal shift, he or she shall immediately return to his or her job and continue his or her duties as an employee.

ARTICLE 49 - HAZMAT TEAM

- 49.1. Each employee assigned to the Hazardous Materials Emergency Response Team must remain qualified as required by the Employer. The Employer shall provide training that it requires.
- 49.2. Employees responding to hazardous materials incidents, while inside or outside the geographic city limits of Duluth, shall be covered by the same terms and conditions of employment and contract provisions in this contract. The only exceptions to these provisions are those specifically stated in this article.
- 49.3. When the Employer directs the hazmat team to respond to an incident outside the geographic limits of the city of Duluth, each employee on the responding team shall be paid two and one-half (2½) times his or her regular rate of pay.
- 49.4. Team members shall be subject to the following provision.
- (a) Members of the hazmat team may be required when making trades to trade with equally qualified hazmat team member when necessary to maintain minimum team strength.
 - (b) A seniority based bid for a job assignment to a vacant position may be denied if it would result in a shortage of qualified hazmat personnel on a given shift. However, the manpower pool will be used to balance hazmat team members whenever possible.
 - (c) Members of the hazmat team may be denied an open vacation pick if it would result in shortage of qualified hazmat personnel on a given shift. However, the manpower pool will be used to balance hazmat team members whenever possible.
 - (d) Team members shall be chosen from qualified employees by seniority by shift.

- 49.5 The Employer may change, expand, or terminate the hazmat program as an exercise of its management rights, without any requirement to meet and negotiate about the effects of its decision. The implementation of the program is dependent upon the department's needs and resources and the availability of state funding. The parties specifically agree that the operation of this program shall not be construed as a binding practice of the parties. The Employer reserves all its management rights. During the time the Employer is operating a hazardous materials team, it will be bound by this labor contract as far as pay rates, seniority, and benefits are concerned, as specified above. This section specifies that the program may be changed or eliminated without negotiation, but the effect of any such change on any employee will be administered according to this contract, and no contract rights will be lost by any employee.
- 49.6 Station uniforms and personal articles of clothing shall be replaced if damaged during the team's response to hazardous material event.

ARTICLE 50 – F.P.C.O.

- 50.1 The Employer shall deduct from the wages of any employee who is a member of the Union a F.P.C.O. deduction as provided for in a written authorization. Such authorization must be executed by the employee and may be revoked by the employee at any time by giving written notice to both the Employer and the Union. The Employer shall remit any deductions made pursuant to this provision promptly to the Union together with an itemized statement showing the name of each employee from whose pay such deductions have been made and the amount deducted during the period covered by the remittance.

ARTICLE 51 – LABOR MANAGEMENT COMMITTEE

- 51.1 The Employer and the Union will participate in the city-wide bona fide joint labor-management committee as established with the assistance of the Bureau of Mediation Services for the purpose of meeting and discussing matters of mutual concern. The labor-management committee shall consist of representatives of the Employer and representatives of participating Unions and shall be chaired jointly by a representative of the Employer and a representative of participating Unions. The labor-management committee has the authority to establish labor management subcommittees, monitor their progress, forward subcommittee recommendations to the Administration, and dissolve subcommittees. The labor-management committee shall operate on a recommendation basis only, and the committee chairs shall mutually determine all questions of process, procedure and agenda content. The labor-management subcommittees will be responsible for collaboratively addressing common interests that may include, but are not limited to the following:

Budget related issues
Working environment
Health and safety issues

Work process and customer service improvement
Employee recruitment and retention
Health Insurance

51.2 The City's representative on the Joint Powers Enterprise Board of Trustees as defined in the Joint Powers Agreement will report, no less than quarterly, to the labor management committee regarding activity in the Duluth Joint Powers Enterprise Trust. The report will include information such as claims activity, actuarial reports, and financial statements, which will be comparable to that which was provided to the Health Insurance Labor Management Committee under the 2010 collective bargaining agreement.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement the day and year first above written.
