- 3. If you need to set up an account, click "Setup an Account", fill out the online form, and click "Create Account" at the bottom.
- 4. To log in as a contractor, change the drop down selection to "Contractor:" and then locate your company in the dropdown menu to the right.

- 5. Your password will generally be a four digit number given to you when your account was created. If you need to generate an account or need a reminder of what your PIN is, please call 218-730-5240. Please verify that you do not already have an account before requesting an account be created.
- 6. Once logged in, you can search for a permit using the link on the left-hand column. You can search for the permit either by permit number or by address by selecting appropriately with the drop-down menu.
