Traffic Advisory

July 29, 2010

On Thursday, July 29, the Tall Ships will have a "Grand Parade of Sail" starting at 2:00 p.m. The ships will enter the Bay area through the ship canal in three waves. Expect extreme traffic congestion in the Canal Park/Aerial Lift Bridge area during the entire afternoon of July 29. Police suggest that those wanting to view the "sail-in" should park in the DECC, Bayfront, or downtown areas and walk to the waterfront. The festival grounds at Bayfront Park will open at 11:00 AM on Thursday.

July 30, 31, and August 1, 2010

Many Tall Ship events will be taking place in the Bayfront Park area on Friday, July 30, Saturday, July 31, and Sunday, August 1. The festival grounds at Bayfront Park will open at 8:00 a.m. each day and will stay open until 10:00 PM. During this time period, expect large amounts of traffic on 5th Avenue West, Railroad Street, Garfield Avenue and in the Canal Park area. Significant traffic delays should be expected. Watch for officers directing traffic in these areas.
