On Sunday, May 8th, 2016 at approximately 6:09 p.m., Duluth Police arrested 33 year old Gabriel Jordon Olson of Superior, WI after responding to a report of a burglary at a business located in the 1500 block of London Road. The store owner responded to an alarm at his store and found a broken window on the west side of the building. Officers at the scene reviewed video surveillance footage and were able to determine a description of the suspect. Sergeant Holton was checking the area and located a male matching the suspect description near 13th Avenue East and Superior Street. A comparison of the suspect to the surveillance image verified that he was the person who had been in the business. Officers found in Olson's possession property that was stolen from the store. Olson was taken to jail and formally charged in St. Louis District Court with 3rd Degree Burglary.
