

As a result of the COVID-19 outbreak, a deep concern for employee and public health and the closure of schools across the state, we are announcing substantial changes to City of Duluth operations. Unfortunately, this includes cancelling our upcoming Commission meetings, therefore, our monthly scheduled Commission meeting on **April 1st is cancelled** and we hope to be able to reconvene again on May 6th.

Additional information on see here: <https://duluthmn.gov/covid19/>
