

CRB Meeting Minutes 6/05/2019

- I. Call to Order: 5:37pm
- II. Roll Call: Human Rights Officer Carl Crawford, Chief Tusken, Chair Archie Davis, Vice Chair Sara Vaccarella, Commissioner John Beyer, Secretary Dani Dunphy, Commissioner Ken Kimber.
- III. Approval of last meeting minutes with the corrections on Sara Vaccarella's name
- IV. Police Liaison Report
 - a. No new complaints, talked about internal issues with policy enforcement within the department.
 - b. Conversation around the recent coordinated arrest with large quantities of drugs present.
 - c. Conversation around NARCAN and how many lives it has saved over the years (estimate of 85 lives in 5 years)
 - d. City of Duluth launched a new web page with a new complaint and compliment form on it.
 - e. Discussion of organizational assessment and the final report is not back yet but there are about 60 recommendations on the report. They will report out when they get it back.
- V. Committee Reports
 - i. Vaccarella - Protective gear policy – making some progress and almost at the final review. Conversation around public meetings when the policy is in its final form to get public feedback.
 - ii. Conversation around the annual report and when and how it will be written.
- VI. Other Business
 - a. Waffle breakfast went well. Child was choking at the event and an officer performed the Heimlich maneuver on him (kudos to that officer for his quick actions).
- VII. Announcements:
 - a. Kids, cops and cars will be in August.
 - b. A donation was made for the police department to purchase a pontoon board to be able to take kids on for their fishing events.
- VIII. Community Correspondence: None
- IX. Public Comments:
 - a. Public comments about what to do if a police officer refuses to allow you to speak with their supervisor.
 - b. A committee member was approached by the public to talk about some burglaries in the Kenwood area.
 - c. Conversation around what to do about unwanted people at your home and the police stance on if the person gets mail or has an ID that states they live there but they don't, why can't they be removed.
- X. Adjournment: 7:02
