Ken Buehler was present on behalf of the application. Mr. Buehler explained that they would like to make the areas that they use for alcohol service during the Mayor's Pride Reception every fall a permanently licensed area so they don't have to keep coming back to the city each year. To questioning from the commission, Mr. Buehler replied there is fencing around the back platform which will be easy to police. The clerk reviewed that if were to use the front sidewalk area at any other time during the year, it would have to be sectioned off by fencing and that security would need to be in place for that event.
