Parking ramp by Duluth Depot to close for repairs

[Duluth, MN] - The City of Duluth is notifying the public about the closure of the parking ramp next to the Duluth Depot. The ramp has significant structural deficiencies and is in need of repair. The ramp will be closed starting May 1, 2012 with work extending into June and July. Alternative parking is available on the street or at the nearby ramp located on Michigan Street at 5th Ave West.

We apologize for any inconvenience to patrons of the Depot or downtown library.
