### **Duluth City Offices and Public Libraries to Close at 4 PM Today**

[Duluth, MN] - Duluth City Hall, Comfort Systems office, and the Public Libraries will be closing at 4:00 pm today due to inclement weather and limited transit services.

The Duluth Transit Authority has also announced it will reduce bus services to just routes 1, 2 & 3 that run east and west along Grand Ave/Hwy 23 and Superior Street. Services up the hill will be suspended due to deteriorating road conditions.

City officials want to ensure people are able to access public transit and travel safely to their destinations in this snow storm.
