Construction in the Works at Lafayette Community Recreation Center

[Duluth, MN] - The Lafayette Square Community Recreation Center is currently under construction for upgraded and accessible washroom facilities. This project is expected to be completed in mid-November and will enable the public use of washroom facilities that can accommodate diverse needs of visitors to the beach. During the construction, the Center and main access point to the beach will be closed.

This project is funded in part by the National Oceanic and Atmospheric Administration.
