SUBJECT: West 1st Street and 5th Avenue West Lane Closures

BY: Kate Van Daele, Public Information Officer

West 1st Street and 5th Avenue West Lane Closures

[Duluth, MN] The City of Duluth is informing the public of lane closures on West 1st St and 5th Avenue West. The lower driving lane and parking lane on West 1st Street are closed between 4th Ave West and 5th Avenue West. The up bound lane of 5th Avenue West is closed between the 1st Street Alley and West 1st Street. Access to the parking ramp is still available from both the alley and 1st Street. These closures are in place for the city contractor to restore the pavement due to prior steam utility repairs. The lane closures are anticipated to be in effect until Friday, October 25th.

The public is advised not to travel up 5th Avenue West from Superior Street to 1st Street the wrong way in the down bound lane.

Questions can be directed to Cindy Voigt, (218) 730-5071 or email at cvoigt@duluthmn.gov
