**City of Duluth continues working through winter storm**

**Thursday, March 16, 7:00 PM**

[DULUTH, MN] While snow accumulations have decreased considerably in the latest NWS forecast, City of Duluth staff continue to monitor conditions.

City plow operators have largely been relieved for the evening for a needed and required rest, but we'll have a limited crew on to keep main roads open and to continue working into residential areas. Full crew returns to operate at 2:00 am.

Thank you to City of Duluth street maintenance crews who continue to do the work to plow, sand, and salt to keep our roads safe for buses, police, fire, ambulance, and other vehicles. Thanks to residents for their cooperation and patience as we work through the storm.
