SUBJECT: Duluth Natural Surface Trails Open to Users

BY: Kate Van Daele, Public Information Officer

Duluth Natural Surface Trails Open to Users

[Duluth, MN] - The City of Duluth Parks and Recreation Division announces the majority of natural surface trails are now open and ready for public use. Please observe good trail etiquette and stewardship by respecting trail closures and avoiding any wet/muddy trails. If leaving a footprint or bicycle tire imprint on the trail, it is best to turn around to reduce the potential for additional trail damage. If encountering a wet/muddy spot in an otherwise completely dry trail, it is best to go through the wet/muddy spot to prevent widening of trail. Trails typically take 24 hours to dry and reopen after a rainfall.
