STATEMENT OF PURPOSE: The purpose of this resolution is to authorize the city to accept a grant from the Duluth Legacy Endowment Fund. The grant, in the amount of \$2,500, is to be used for the Hawk Ridge Bird Observatory for development of a site management plan for the nature reserve. The 365-acre reserve is managed by Hawk Ridge Bird Observatory as part of the trust agreement established with the City of Duluth. In order to best manage the site for natural resources and community use, a professionally-developed management plan is needed.
