STATEMENT OF PURPOSE: This resolution approves a contract with MacQueen Equipment, Inc., for a 2014 Vactor HXX hydro-excavator for a total of \$301,597.35. The city council previously passed companion Resolution 13-0589R which authorized the purchase of a 2014 Western Star 4800/4900F chassis, to be equipped with this hydro-excavator upon delivery in 2014.

This purchase is based on Minnesota State Contract 59014, Release W-196(5). The new hydro-excavator, when fully assembled, will be used by all four utilities to perform exploratory operations near buried utilities, thawing and evacuating frozen ground, valve box clean out, as well as utility evacuation.

MacQueen Equipment is headquartered in St. Paul, Minnesota.
