STATEMENT OF PURPOSE: This resolution authorizes the purchase of three (3) 2015 Chevrolet 3500 4x4 DRW regular cab and chassis pickups for maintenance operations for \$111,472.95.

The new vehicles will be purchased from a Minnesota state contract and replace units described below:

- (a) One new vehicle will replace truck number 3309, assigned to traffic maintenance. Unit 3309 is 18 years old with 88,358 in mileage and will be disposed through city auction when the replacement vehicle arrives.
- (b) Two will replace units 3344 and 3345, assigned to street maintenance. Units 3344 and 3345 are each 15 years old and will be disposed through city auction when the replacements arrive. Unit 3344 has 62,373 in mileage and Unit 3345 has 71,747 in mileage.

These vehicles are part of the approved Capital Equipment Program Rolling Stock Capital Equipment Plan.

Thane Hawins Polar Chevrolet is located in White Bear Lake, Minnesota.
