STATEMENT OF PURPOSE: Resolution 13-0421R awarded a contract to Barr Engineering for professional engineering design services on streams on the eastern side of Duluth, including Amity, Chester, Coffee and Miller Creeks. Additional grant funding was awarded to the city in February 2014 by the Board of Water and Soil Resources. Sites on Coffee Creek adjacent to an existing Barr Engineering project can be added to the contract in order to expedite the projects. This resolution authorizes an increase to the contract in the amount of \$37,537 for a new total of \$236,037, payable from Disaster Recovery Fund 225, Department 126 (Finance), Division 1807 (Parks, Recreation and Other), Object 5303 (Engineering Services), city project no. 1186.
