

2016 CHILD CAR SEAT SAFETY CLINICS

Parents are encouraged to stop by a car seat safety clinic to have their child's car seat inspected *free of charge*. When a parent arrives, a certified car seat safety technician climbs into the vehicle to inspect child safety seats. Necessary adjustments will be made so the seats are properly installed to protect children in the event of a crash. The technician will also answer parents' questions or concerns about car seat safety. No appointment is necessary. People will be helped on a first come, first served basis. If you have any questions, please call 730-4380 (Laura Owen), 340-4028 (Allison Nicolson), or 730-4398 (Marnie Grondahl).
