

A. Purpose.

The RR-2 district is established to accommodate single-family detached residential uses on lots of at least two acres each. The district encourages distinctive neighborhoods with a suburban character. The district may serve as a transition between lower-density semi-rural areas and more intense residential or mixed use neighborhoods. Complimentary uses such as limited agriculture, small-scale institutional uses, parks, minor utilities and certain temporary uses are allowed as shown in Table 50-19.8.
