More ideas. Better solutions.

**ADDENDUM #2
PARK POINT COMMUNICATIONS TOWER
CITY OF DULUTH
PROJECT 12-23DS
11/8/12**

NOTICE

Page 1 of 2

This Addendum is issued to modify, explain or correct the original drawings, specifications and/or previous addendums and is hereby made a part of the Contract Documents. Please attach this Addendum to the specifications in your possession and note receipt of this by signing and returning a copy of this Addendum with your bid. The bid date remains unchanged.

PROJECT MANUAL

DIVISION 33

SECTION 33 81 15 FREE STANDING COMMUNICATION ANTENNA TOWER

“ADD” the following new paragraph 1.03.J:

- J. Tower manufacturer shall be responsible for the design, fabrication, and erection of the tower, design and construction of the foundation.

“ADD” the following new article:

3.01 INSPECTION AND TESTING

- A. Owner reserves the right to perform mill, shop, and field observation. Owner’s observations do not relieve the tower manufacturer of sole responsibility for quality inspections for all tower design, foundation design, fabrication, and construction.
- B. The Tower Manufacturer shall be responsible for inspecting the tower to ensure that the tower has been erected according to the tower design and foundation design. The tower manufacturer shall provide a written certification that the tower has been erected and antenna locations according to the tower design and foundation design.

3.02 GUARANTEE

- A. The tower manufacturer shall be responsible for the protection of the structure in all respects and conditions prior to the date of acceptance of his work. The tower manufacturer shall guarantee all workmanship, materials, and equipment for a period of five years from the date of acceptance of his work, to the extent that he will repair any defects, of which he is notified during that period, which may appear because of faulty design, workmanship, or material furnished under the specification.
