Duluth Police are asking for the public's assistance in locating missing child Jonathan Kalep Beckman. Beckman is a 13 year old Caucasian male, approximately 5'7" tall and 125 lbs., has black hair and brown eyes. Beckman left the Northwood's West Campus last night with another child from the facility. Beckman was last seen wearing a black hooded sweatshirt. There is a concern for the safety and welfare of Beckman due to Beckman being diagnosed with Autism along with a conduct behavior disorder and is in need of his medication.

Duluth Police Department is seeking the public's assistance in locating Beckman to ensure Beckman returns to the facility safely. If you see or know of Beckman's whereabouts, you are asked to call 911.
