**Superior Street Reconstruction**

**Word on the Street Final Update for Phase I (November 16, 2018)**

We are excited to reopen the remaining western blocks of Superior Street and welcome everyone back to explore the updates and additions. There is finishing work needed including spring tree planting and concrete details by the Gateway Tower apartments.

If you haven't driven it yet, here's a video glimpse of the newly opened western entry point into downtown.

This concludes our weekly construction newsletter series for phase I. We will resume with regular updates next spring for Phase 2 construction that will take place between 4th Ave East up to the intersection of Lake Ave. You can always check out our Facebook page at "SuperiorStreetReconstruction" or the website at [www.superiorstreet.org](http://www.superiorstreet.org)

Thanks for your patience, support and for loving downtown Duluth!!
