**City of Duluth to Complete Remaining Sidewalks as Final Piece of Phase I**

[Duluth, MN] The City of Duluth will begin work to complete the remaining sidewalks as the final piece to Phase I of the Superior Street Reconstruction Project. The sidewalk will be completed between North 6th Avenue West to Mesaba Avenue. No businesses will be impacted as a result of this part of the project. Work will begin Wednesday, May 8th, and will take approximately two weeks to complete. This will require lane closures, but Superior Street will remain open within this stretch of work.
