Duluth City Hall Stair Project Update

[Duluth, MN] - The City of Duluth is working to restore the steps leading into the building to improve access for all City Hall visitors. The repairs to the front steps facing Priley Drive are complete and access into City Hall from the front will be fully restored starting tomorrow, April 29. Crews will now redirect their attention to the side steps on West First Street which now requires closure of those set of doors. Access to City Hall is available from 4th Ave West, the front doors, or 2nd Ave West.
