SUBJECT: Public asked to use caution traveling under or near Aerial Lift Bridge today

BY: Pakou Ly, Public Information Coordinator

Public asked to use caution traveling under or near Aerial Lift Bridge today

[Duluth, MN] - The City of Duluth is urging motorists and pedestrians to use caution when traveling under or near the Aerial Lift Bridge. Snow has accumulated on the Lift Bridge with the recent snowfall. Gusty winds are blowing heavy clumps of snow off the Bridge. The public should proceed carefully in the area.
