Duluth to Offer Online Pet License Renewal Application

[Duluth, MN] - The City of Duluth is excited to offer a new online pet license renewal system for residents. Notification packets are being mailed via postal service this week, to current license holders, which include instructions on using and making payments through the online renewal application system. At this time, new pet licenses must be obtained either in person or by mail through the City Clerk's office in City Hall, Room 330, 411 West First Street.

Pet licensing information and the new online renewal application is accessible at <http://duluthmn.gov/city-clerk/pet-licenses/>
