SUBJECT: Water Main Break In Upper Lakeside

BY: Phil Jents, Communications and Policy Officer

Water Main Break In Upper Lakeside

[Duluth, MN] Public Works and Utilities has found a water main break at 51st Avenue East and Oakley Street. Most of upper Lakeside will be without water until the break is repaired.

Crews are on scene and will be working through the night to restore service. Once service is restored, residents that lost service should boil water before consuming until further notice.

For more information, please call Utility Operations at 218-730-4000.
