**UPDATE: City of Duluth Operations Impacted by COVID-19**

[Duluth, MN] As a result of Governor Walz's stay at home order issued yesterday, Wednesday, March 25th, 2020, the City will continue its operations as described in its March 17th announcement:

All City buildings are closed to everyone other than essential staff whose work requires access.

The City of Duluth remains committed to providing the community with the services they expect and need. That includes services from the Duluth Police Department, Duluth Fire Department, Public Works and Utilities, and all other staff who are ready to assist you remotely.

We will be evaluating the situation as it evolves and will update the community as we are able.
