2023 Community Needs Assessment Survey

[Duluth, MN] The City of Duluth needs to hear from you!

Each year our city receives almost \$3 million from the Department of Housing and Urban Development (HUD). Your input helps the Community Development Committee, the City Council, and the Mayor decide the best way to use it.

This year, HUD has awarded our city another \$1.9 million through the American Rescue Plan. This is an extra, one-time only allocation. Your input will help determine the best way to spend this money, too.

Residents can access and submit the survey at the following link:
