**Portion of Cross City Trail to close temporarily due to construction**

[Duluth, MN] Due to a wastewater pipe replacement between South Central Avenue and Recycle Way, a portion of the Cross City Trail will be closed beginning May 9 through mid-June while the Western Lake Superior Sanitary District (WLSSD) is completing the work. The detour will route trail users at South Central Avenue to Bristol Street. From there, users will follow Bristol Street / Mike Colalillo Drive to Grand Avenue. The portion of the trail that will be impacted will be restored prior to reopening.
