**DATE:** 4/30/2024

**SUBJECT:** City of Duluth to host two public informational meetings regarding 2024 Sales Tax Street Improvement Projects on Thursday

**BY:** Kelli Latuska, Public Information Officer

**City of Duluth to host two public informational meetings regarding 2024 Sales Tax Street Improvement Projects on Thursday**

[DULUTH, MN] The City of Duluth will host two informational sessions on the 2024 Sales Tax Street Improvement Projects on Thursday, May 2—a virtual meeting option and an in-person meeting option. The meetings are scheduled for:

**Virtual public informational session:**

Thursday, May 2, 2024

Location: [Virtual Meeting Link](#)

Time: Noon to 1:00 pm

**In-person public informational session:**

Thursday, May 2, 2024

Location: Downtown Duluth Public Library, 520 W Superior St., Duluth, MN, 55802

Time: 5:30 pm to 6:30 pm

Proposed projects will include street resurfacing (either via reclamation, mill and overlay, or overlay). In addition to the street work, there may be some stormwater infrastructure repairs as well as ADA upgrades, mostly at pedestrian ramps at intersections.

Some residential and business driveways will require concrete work. Notice will be given to individual residents when access will be limited by the contractor. Access limitations typically last about one week. The projects are not anticipated to affect mail delivery or garbage pickup schedules. On street parking may be limited during construction and signs will be posted.

The City of Duluth's 1/2 per cent streets sales tax will fund these projects and there will be no assessments for the projects to property owners.

The list of 2024 Sales Tax Street Improvement Projects is [here](#).

If you would like more information about when your street is scheduled for improvement, please visit the [City of Duluth Engineering website](#).
