**SUBJECT: Traffic is fully restored on the Aerial Lift Bridge**

**BY: Kate Van Daele, Public Information Officer**

**Traffic is fully restored on the Aerial Lift Bridge**

[Duluth, MN] Routine maintenance that limited traffic to one lane across the Aerial Lift Bridge during the week has been completed. Traffic as of today has been fully restored.

Routine maintenance that does not require changes in traffic flow is still on going and will require maintenance lifts during the week. The City of Duluth will make every attempt to time these lifts with regularly scheduled lift if at all possible.
