SUBJECT: Portion of South Lake Avenue traffic lanes to shift due to private utility work

BY: Phil Jents, Communications and Policy Officer

Portion of South Lake Avenue traffic lanes to shift due to private utility work

[Duluth, MN] Starting on Monday, December 11, 2023, a portion of South Lake Avenue east of the Aerial Lift Bridge will have traffic lanes shift due to a contractor installing private utility services to new construction.

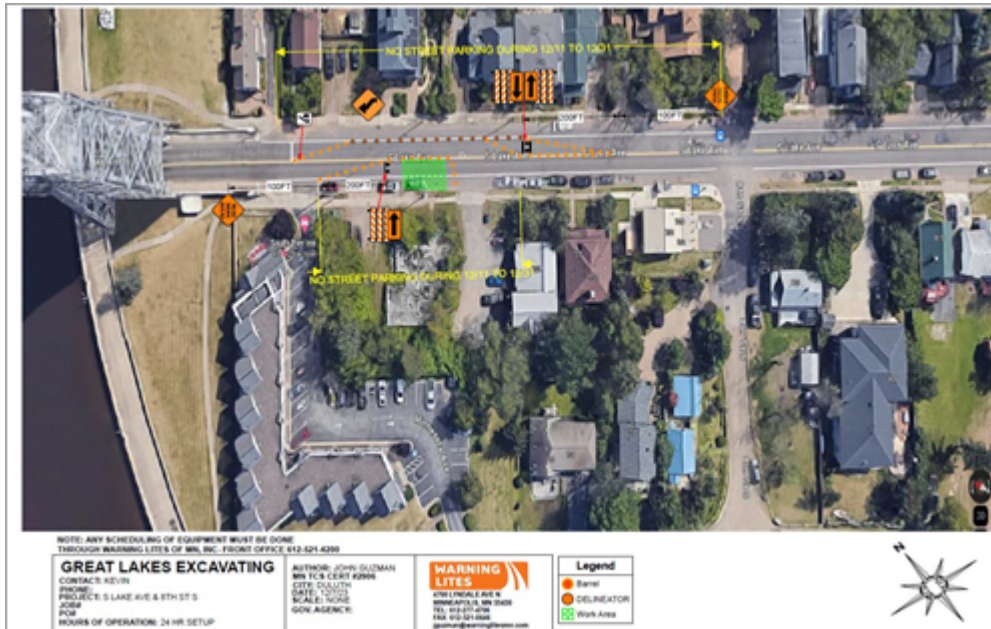

This work will require the existing traffic lanes to shift and temporary no parking zones to be in effect.

The map below depicts the temporary no parking zones and the work area.

This work is anticipated to take approximately one month to complete.

For questions or more information, please contact the City of Duluth's Engineering Division at 218-730-5200.
