## **New Electronic Rip Current Warning Sign on Park Point**

The City of Duluth Fire and Parks and Recreation Departments unveiled the latest effort to warn swimmers of Park Point rip current conditions. The electronic rip current sign, placed at the “S” curve located at 12<sup>th</sup> Street and Minnesota Avenue is part of a continued expansion of water safety measures within the city of Duluth. The electronic sign will inform beach goers of current surf conditions, how the surf impacts their safety, as well as the location of beaches where lifeguards are present.
