[Duluth, MN] The public is invited to virtual public meetings on Tuesday, May 18 at 5:00 p.m. and again on Tuesday, June 1 at noon to provide input for the proposed Enger Golf Course renovations.

The City of Duluth's Parks and Recreation Division will co-host the meeting with professional consultants from Norby Golf Design Inc., Architectural Resources Inc., and Antares Golf, LLC. Basic renovation scenarios will be presented in addition to answering questions and taking public comments.

Enger Golf Course renovation items include a new irrigation system, new clubhouse, improvements to fairways, and bunker renovations. This work is planned for 2023 while the course is closed to golf play and Lester Park Golf Course reopens for one final season of golf.
