SUBJECT: First Street West (at 6th Ave West) to close for water service repairs

BY: Pakou Ly

First Street West (at 6th Avenue West) will be closed for two weeks starting May 4, 2010. A new water service line is being installed into the Federal Court House. This repair should not disrupt water service nor entry to the Federal Court House. Some meters along First Street West near the worksite will be inaccessible.

Motorists are asked to watch for posted detours.
