SUBJECT: Pedestrian bridge in Canal Park closed for repairs

BY: Pakou Ly, Public Information Coordinator

Pedestrian bridge in Canal Park closed for repairs

[Dulth, MN] - The City of Duluth Public Works & Utilities Department reports that the pedestrian bridge (also known as the Minnesota Slip Bridge) that crosses from Canal Park to the Duluth Entertainment Convention Center is closed and undergoing repair due to a broken cable. The bridge will remain closed until tomorrow.

The City thanks the public for their patience as staff expedite repairs.
