## **Public Invited to Discuss Proposed Parking Changes to East 8<sup>th</sup> Street and East College Street**

[Duluth, MN] - The public is invited to the November meeting of the Duluth Parking Commission, where the following proposed changes will be considered:

- Converting East 8<sup>th</sup> Street (between its cul-de-sac terminus near Woodland Avenue and East Clover Street) to the weekly alternate side calendar parking system.
- Converting East College Street (between East 8<sup>th</sup> Street and Irving Place) to the weekly alternate side calendar parking system.
- Prohibiting parking in the cul-de-sac terminus of East 8<sup>th</sup> Street (near Woodland Avenue).

These proposals are in addition to the pending proposal to add these two blocks to the UMD-area resident permit parking zone.

The Duluth Parking Commission will consider these changes in its November meeting, which will start at 7:30 a.m. this Friday, November 9, and be held in Council Chambers on the third floor of City Hall.

Anyone unable to attend the meeting may feel free to contact Parking Manager Matthew Kennedy at 218-730-5178 to provide feedback on these proposals.
